

George N. Dalekos, MD, PhD

**PROFESSOR OF MEDICINE
HEAD OF THE DEPARTMENT OF
MEDICINE AND THE RESEARCH
LABORATORY OF INTERNAL MEDICINE
UNIVERSITY OF THESSALY
FACULTY OF HEALTH SCIENCES
MEDICAL SCHOOL
LARISSA, GREECE**
<http://www.med.uth.gr/internalmedicine/>

**CURRICULUM VITAE
(Brief Edition)**

LARISSA, December 2017

Curriculum Vitae

First name: George
Family's name: Dalekos
Father's name: Nikolaos
Mother's name: Eymorphia
Place of birth: Athens, Greece
Date of birth: November 23, 1960
Citizenship: Greek
Profession: Professor of Medicine, Head, Department of Medicine and the Research Laboratory of Internal Medicine, University of Thessaly, Medical School.
Marital Status: Married, father of two children
Home address: M. Dorotheou 1b, 41447 Larissa, Greece
Office address: University of Thessaly, Faculty of Health Sciences, Medical School, Biopolis, 41110 Larissa, Greece
Telephone: 0030-241350-2285 (secretary)/ 0030-2410-685726
Fax: 0030-241350-1557
e-mail georgedalekos@gmail.com; dalekos@med.uth.gr
Languages: Greek, English

Education

1985 MD, Athens Medical School, University of Athens, Greece
 1995 Doctoral Thesis, Ioannina Medical School, University of Ioannina, Greece

Professional Experience

Oct 1985 - Nov 1987: Obligatory service in the Greek Army
 Nov 1986 - Nov 1987: House officer, Athens Navy Hospital (during my military service) (Director: Assistant Professor A. Perperas).
 Nov 1987 - May 1988: Research Fellow, Unit of Gastrointestinal Endoscopy, Athens Navy Hospital (Director: Assistant Professor N. Nikolopoulos).
 May 1988 - June 1989: Senior House officer, Division of Internal Medicine, Psychiatric Hospital of Attica (Director: Dr. A. Perrakis).
 July 1989 - Dec 1990: Obligatory medical service in rural area (Health Center of Andros Island).
 January 1991 - May 1992: Honorary Research Fellow, Laboratory of Clinical Immunology, Department of Internal Medicine, Ioannina Medical School, University of Ioannina (Director: Professor H.M. Moutsopoulos).

| | |
|-------------------------|---|
| May 1992 - May 1995: | Chief Resident, Division of Internal Medicine, Ioannina Medical School, University of Ioannina (Directors: Professor H.M. Moutsopoulos until Nov 1993 and then Professor D. Sideris) and Research Associate, Laboratory of Clinical Immunology, Department of Internal Medicine, Ioannina Medical School, University of Ioannina (Director: Professor H.M. Moutsopoulos). |
| June 1995 – April 1996: | Research Associate, Department of Internal Medicine, (Hepato-Gastroenterology Division) Ioannina Medical School, University of Ioannina (Director: Professor E.V. Tsianos). |
| May 1996 - Feb 1997: | Senior Registrar in Internal Medicine, Blood Bank at the University Hospital of Ioannina. (Director: Dr. E. Zervou) and Research Associate, Department of Internal Medicine, (Hepato-Gastroenterology Division) Ioannina Medical School, University of Ioannina (Director: Professor E.V. Tsianos). |
| March 1997 – Oct 1997: | Senior Registrar in Internal Medicine, Division of Internal Medicine, Ioannina Medical School, University of Ioannina (Director: Professor E.V. Tsianos) and Research Associate, Department of Internal Medicine, (Hepato-Gastroenterology Division) Ioannina Medical School, University of Ioannina (Director: Professor E.V. Tsianos). |
| Oct 1997 – Oct 1998: | Post Doc Research Fellow in the Department of Gastroenterology and Hepatology, Hannover Medical School (Director: Professor M.P.Manns). |
| Nov 1998 – Dec 2002: | Assistant Professor of Medicine, University of Thessaly, Faculty of Health Sciences, Medical School*. |
| Jan 2003 – August 2008: | Associate Professor of Medicine, University of Thessaly, Faculty of Health Sciences, Medical School*. *Chief of the Academic Liver Unit and 2 nd Word of Internal Medicine Clinic, University Hospital of Larissa, Greece and Associate Director in the Research Lab of Internal Medicine, University of Thessaly, Medical School, Larissa, Greece since November 1998. |
| June 2007 – June 2011: | Head of the Research Group of Investigational Medicine, Institute of Biomedical Research & Technology, CERETETH, Larissa, Greece |
| August 2008 – now: | Professor of Medicine, Head of the Department of Medicine, the Academic Liver Unit and the Research Lab of Internal Medicine, University of Thessaly, Medical School, Larissa, Greece. |

Licence to Practice Medicine and Speciality Certification

| | |
|------|--|
| 1985 | Certificate of Registration, as a Medical Practitioner (Ministry of Health, Athens, Greece). |
| 1995 | Certificate of Internal Medicine |

Member of Societies

| | |
|------|---|
| 1990 | Society for Medical Studies (Greek) |
| 1994 | Hellenic Association for the Study of the Liver (Greek) |
| 1996 | Hellenic Society of Internal Medicine (Greek) |
| 1996 | The New York Academy of Sciences |
| 1996 | European Society for Free Radical Research |
| 1997 | European Association of Gastroenterology and Endoscopy |

| | |
|------|--|
| 1997 | Hellenic Association of Immunology (Greek) |
| 1997 | European Federation of Internal Medicine |
| 1999 | European Association for the Study of the Liver |
| 2001 | Hellenic Society of Systemic Autoimmune Diseases (Greek) |
| 2001 | California Blood Bank Society |
| 2008 | International Association for the Study of Liver Diseases (IASL) |
| 2008 | Hellenic Society of Internal Medicine of Northern Greece (Greek) |
| 2013 | American Association for the Study of Liver Diseases (AASLD) |

Awards

1. **Second award of new scientist** by the **Hellenic Hypertension Society** for the study entitled: «*Interleukin-1 β in the systemic circulation of patients with familial hypercholesterolaemia and essential hypertension: additional risk factor for atheromatosis in hypertensive patients?*» presented in the **5th Panhellenic Congress in Hypertension** (February 29-March 2, 1996) as well as in the **16th Scientific Meeting of the International Society of Hypertension** (Glasgow, UK, June 23-27, 1996).
2. **1st Award of the Best Study** by the **Hellenic Society of Gastroenterology** for the study entitled: «*High concentrations of interleukin-6 (IL-6) and soluble interleukin-2 receptors (sIL-2Rs) in active ulcerative colitis after the development of a sensitive bioassay (IL-6 dependent mouse hybridoma clone B9)*» presented in the **10th World Congress of Gastroenterology**, Los Angeles, October 2-7, 1994 (preliminary), as well as in the **16th Panhellenic Congress of Gastroenterology**, Athens, October 12-16, 1996 (full version).
3. **First award** by the **Balkan Clinical Laboratory Federation** for the study entitled: «*Acute renal failure due to copper-induced rhabdomyolysis: Localisation of the injury by ¹H-NMR spectroscopy*» presented in the **5th Meeting of Balkan Clinical Laboratory Federation**, Ioannina, October 9-12, 1997.
4. **Second award** in the **8th Hellenic Symposium on Hepatitis C** for the study entitled: «*Anticardiolipin antibodies (a-CLAbs) are not b2-GPI-dependent (non-thrombogenic a-CLAbs): preliminary results in 107 HCV patients from central Greece*» presented in Athens, January 27, 2001.
5. **First award of Poster Session** by the **Hellenic Association for the Study of the Liver** for the study entitled: «*Hemopoietic progenitor cells and bone marrow stromal cells in patients with autoimmune hepatitis type 1 and primary biliary cirrhosis*» presented in the **8th Panhellenic Congress of Hepatology**, Thessaloniki, May 8-11, 2003.
6. **1st Award (Symboulidio award)** by the **Medical Association of Athens** for the **Best Research and Practice** in “*Autoimmune hepatitis and virus induced phenomena*”, Athens, May 2004.
7. **Best Oral Presentation Award** by the **European Society of Hypertension** for the study entitled: «*Effect of hydroxychloroquine treatment on atherosclerosis in ApoE deficient mice*» presented in the **21st European Meeting on Hypertension & Cardiovascular Prevention**, June 17-21, 2011, Milan, Italy.
8. **1st Award for the Best Oral Presentation** in the **10th Congress of the European Federation of Internal Medicine** for the study entitled: «*Mycophenolate for the treatment of autoimmune hepatitis: Prospective assessment of its efficacy and safety for induction and maintenance of remission in a large cohort of patients*» presented in Athens, 5-8 October, 2011.
9. **Second Award of Oral Presentation** in the **13th Panhellenic Congress of the Hellenic Association for the Study of the Liver** for the study entitled: “*Decreased production of*

hepcidin in patients with autoimmune liver diseases” presented in Rhodes Island, May 9-12, 2013.

10. **Award of the Amphiarion Institution for Chemotherapeutic Studies by The Athens Medical Society** for the study entitled: “*Panhellenic study of resistance of Staphylococcus aureus: 2012*” presented in the **39th Annual Panhellenic Medical Congress**, Athens, May 22-25, 2013.
11. **1st Award for the Best Poster Presentation** in the **11th Panhellenic Congress of Clinical Chemistry** for the study entitled: “*Non interventional investigation of liver diseases by using caffeine test detection in urine*” presented in Volos, October 11-12, 2013.
12. **First award for the scientific work** entitled: “*Expression of HIF-1a in atherosclerotic plaques of ApoE knock-out mice under treatment with hydroxychloroquine*” presented in the **20th Congress of Greek Medical Students**, Thessaloniki, May 9-11, 2014.
13. **1st Award of Oral Presentation** in the **1st Panhellenic Congress of Continuing Education in Internal Medicine** for the study entitled: “*Long-term outcome of patients with autoimmune hepatitis (AIH) receiving Mycophenolate Mofetil (MMF) as first line treatment*” presented in Thessaloniki, February 26-28, 2015.
14. **3rd Award of Best Oral Presentation** in the **14th Panhellenic Congress of the Hellenic Association for the Study of the Liver** for the study entitled: “*Decrease serum DNase-1 activity in patients with autoimmune liver diseases*” presented in Kos Island, May 7-10, 2015.
15. **2nd Award of Best Poster Presentation** in the **14th Panhellenic Congress of the Hellenic Association for the Study of the Liver** for the study entitled: “*Treatment of portal thrombosis in cirrhotic patients*” presented in Kos Island, May 7-10, 2015.
16. **1st Award of Best Poster Presentation** in the **14th Panhellenic Congress of the Hellenic Association for the Study of the Liver** for the study entitled: “*The role of mitogen-activated protein kinase p38 (p38MAPK) pathway on the natural history of chronic HBV infection*” presented in Kos Island, May 7-10, 2015.
17. **The work entitled:** «*Prompt initiation of intravenous corticosteroids prevents deterioration of acute/severe autoimmune hepatitis (AS-AIH) and the need for liver transplantation (LT)*» was selected for **presentation** in a **poster tour (Chair: P. Invernizzi)** during the **International Liver Congress™ 2017, 52th Annual Meeting of the European Association for the Study of the Liver**, Amsterdam, The Netherlands, April 19-23, 2017.
18. **2nd Award of Best Case Report (Oral Presentation)** in the **Educational Two-Day Conference of the Department of Northern Greece “Macedonia” of the Hellenic Society of Gastroenterology** entitled: “*Reversion of decompensated cirrhosis in a patient with autoimmune overlap syndrome*” presented in Thessaloniki, May 12 & 13, 2017.
19. **1st Award of Best Oral Presentation in the 15th Panhellenic Congress of the Hellenic Association for the Study of Liver** for the study entitled: “*Importance of IP10 in patients with HBeAg-negative chronic hepatitis B who interrupt long-term therapy with entecavir or tenofovir: Prospective study DARING-B*” presented in Larissa, May 25-27, 2017.
20. **1st Award of Best Oral Presentation** in the **37th Panhellenic Congress of the Hellenic Society of Gastroenterology** for the study entitled: “*DAA in the modern clinical practice for the treatment of chronic hepatitis C. HERACLIS: A Greek multicenter prospective clinical study*” presented in Thessaloniki, October 5-7, 2017.
21. **The work entitled:** «*Time trends in major hepatic complications in primary biliary cholangitis: incidence and transplant-free survival*» received the **AASLD Foundation Abstract Award**

Recipient during The Liver Meeting, 68th Annual Meeting of the American Association for the Study of Liver Diseases, Washington, USA, October 20-24, 2017.

22. **The work entitled:** «*Time-dependent factors associated with diminished transplant-free survival in patients with primary biliary cholangitis and an optimal response to ursodeoxycholic acid after one year of treatment*» received the **AASLD Presidential Poster of Distinction** during **The Liver Meeting, 68th Annual Meeting of the American Association for the Study of Liver Diseases, Washington, USA, October 20-24, 2017.**

Other activities

1. **Official Member of the International Autoimmune Hepatitis Group** (Decision of the Executive Committee since 2002-now).
2. **Regular and adhoc Reviewer for Research Projects in Gastroenterology and Hepatology** on behalf of *Wellcome Trust (England)*.
3. **Member of the International PSC Study Group** (2012-now).
4. **Official peer reviewer for research projects of the University of Bologna** (2013-now).
5. **Member of the Hepatitis Delta International Network.**
6. **Principal and/or secondary Supervisor of 32 PhD students (2002-2017) who have completed efficiently their thesis (in most cases on issues on liver autoimmunity or chronic viral hepatitis B and C).**
7. **Regular or Adhoc Reviewer for 112 journals:** Advances in Clinical Chemistry, Age & Ageing, Aging Clinical and Experimental Research, Alimentary Pharmacology & Therapeutics, Annals of Hepatology, Annals of Internal Medicine, Archivum Immunologiae et Therapiae Experimentalis, Arthritis Research & Therapy, Autoimmunity, Autoimmunity Highlights, Autopsy and Case Reports, British Journal of Medicine and Medical Research, BMC Gastroenterology, BMC Public Health, BMJ Case Reports, BMJ Open Gastroenterology, Book entitled “Framing the Knowledge of Viral Hepatitis” (Editor Dr. Raymond Schinazi), Canadian Journal of Gastroenterology and Hepatology, Cancer Investigation, Case Reports in Orthopedics, Cell and Tissue Research, Clinica Chemica Acta, Clinical Chemistry and Laboratory Medicine, Clinical and Experimental Immunology, Clinical and Experimental Medicine, Clinical Immunology, Clinical Infectious Diseases, Current Clinical Pharmacology, Current Pharmaceutical Design, Digestive Diseases and Sciences, Digestive and Liver Disease, Disease Markers, Epigenomics, European Journal of Clinical Investigation, European Journal of Clinical Microbiology & Infectious Diseases, European Journal of Internal Medicine, Expert Opinion on Drug Metabolism and Toxicology, Expert Opinion on Pharmacotherapy, Expert Review of Anti-infective Therapy, Expert Review of Clinical Immunology, Expert Review of Gastroenterology and Hepatology, Expert Review of Molecular Diagnostics, Folia Medica, Future Virology, Gastroenterology, GERMS (Official Journal of the European HIV/AIDS and Infectious Diseases Academy), Gut, Hellenic Journal of Gastroenterology (τόρα Annals of Gastroenterology), Hellenic Journal of Medicine, Hemodialysis International, Hepatitis Monthly, Hepatology, Human Immunology, Immunological Investigations, Immunology Letters, Immunotherapy, Infection Genetics and Evolution, International Journal of Applied Microbiology and Biotechnology Research, International Journal of Artificial Organs, International Journal of Hepatology and Gastroenterology, International Journal of Immunopathology and Pharmacology, International Journal of Infectious Diseases, International Journal of Medical Sciences, International Journal of Tropical Disease & Health, Iranian Red Crescent Medical Journal, Journal of Autoimmune Diseases, Journal of Bacteriology and Parasitology, Journal of Blood Disorder

and Medicine, Journal of Cancer Research and Therapeutics, Journal of Clinical Gastroenterology, Journal of Clinical Investigation, Journal of Clinical Laboratory Analysis, Journal of Clinical Pathology, Journal of Clinical and Translational Hepatology, Journal of Gastroenterology and Hepatology, Journal of Gastrointestinal and Liver Diseases, Journal of Hepatitis, Journal of Hepatology, Journal of Immunological Methods, Journal of Infection, Journal of Laboratory and Clinical Medicine, Journal of Medical Virology, Journal of Microbiology and Infectious Diseases, Journal of Postgraduate Medicine, Journal of Rheumatology, Journal of Veterinary Science, Journal of Viral Hepatitis, Journal of Virology and Microbiology, Journal of Zhejiang University-SCIENCE B, Lancet Infectious Diseases, Liver International, Medical & Biological Engineering & Computing, Medical Science Monitor, Mediterranean Journal of Hematology and Infectious Diseases, Memorias do Instituto Oswaldo Cruz, Merit Research Journal of Medicine and Medical Sciences, Microbes and Infection, MicroRNA, Mini – Reviews in Medicinal Chemistry, Molecular and Cellular Endocrinology, Molecules, Ophthalmology, Pathogens and Global Health, QJM, Redox Report, Reviews in Medical Virology, Scandinavian Journal of Gastroenterology, Therapeutic Advances in Gastroenterology, Viruses, World Journal of Clinical Cases, World Journal of Gastroenterology, World Journal of Hepatology.

8. **Reviewer** on behalf of the **International Liver Congress (EASL Annual meetings, years 2012, 2013 and 2014)**.
9. **Member** of the **Global PBC International Study Group** (2014-now).
10. **Assistant Editor and Section Editor** in Immunology for *the Hellenic Journal of Gastroenterology* (1997 – 1999; now *Annals of Gastroenterology*).
11. **Member of the Editorial Board and Section Editor** for Autoimmune Liver Diseases and Virus Induced Autoimmunity in the *Journal of Autoimmune Diseases* (2004-2009).
12. **Member of the Editorial Board** of *Journal of Hepatology* (2007-2009 and 2010-now).
13. **Member of the Editorial Board** of *Liver International* (2008-2012).
14. **Member of the Editorial Board** of *World Journal of Gastroenterology* (2007-2009 and 2014-2017).
15. **Member of the Editorial Board** of *Autoimmune Diseases* (2009-2014).
16. **Member of the Editorial Board** of *World Journal of Gastrointestinal Pathophysiology* (2011-2015).
17. **Member of the Editorial Board** of *World Journal of Hepatology* (2013-2017).
18. **Member of the Editorial Board** of *Journal of Translational Internal Medicine* (2014-2018).
19. **Member of the Editorial Board** *Hellenic Journal of Medicine* (2013-now).
20. **Participant investigator** of the European Collaborative Study on the Incidence of Inflammatory Bowel Disease (10. 1991 - 9. 1993) published in *Gut*, *European Journal of Gastroenterology and Hepatology* and *Inflammatory Bowel Disease* in 1996, 1997 and 1998 respectively (see International Publications No: 22, 25, 27).
21. **Participant principal investigator** in a local (Greek) randomised controlled trial for the treatment of naïve HCV patients with pegylated interferon-a2b plus ribavirin published in *J Gastrointestin Liver Dis* (see International Publications No: 79).
22. **Participant principal investigator** in the collaborative study with Professor J-M Pawlotsky, University of Paris, France regarding the Clinical Significance of hepatitis B virus DNA levels in HBeAg-negative, HBV-genotype D-infected patients published in *Hepatology 2004*;

40(Suppl.1):675A, *Journal of Clinical Virology* 2006; 36 (Suppl.): S78, *Journal of Hepatology* 2005; 42 (Suppl.): 489.

23. **Collaboration** with Professor D. Vergani (King's College London) and Professor J. Rodes (Barcelona, Spain) on the prevalence and clinical significance of isotype specific antinuclear antibodies in primary biliary cirrhosis published in *Gut* (see International Publications No: 61), on the clinical significance of isotype specific antimitochondrial antibodies in primary biliary cirrhosis published in *Liver International* (see International Publications No: 100) on the clinical significance of anti-gp210 antibodies published in *Hepatology* (see International Publications No: 97) and on the significance and correlation of AMA detected by indirect immunofluorescence and immunoblot published in *Liver International* (see International Publications No: 95).
24. Sponsor and **principal investigator** along with Professor M.P. Manns (Hannover, Germany) and Professor C. Yurdaydin (Ankara, Turkey) on Investigator Protocol entitled: "A multicenter randomized study comparing the efficacy of adefovir dipivoxil vs. pegylated interferon-alfa-2a plus placebo vs. adefovir dipivoxil plus pegylated interferon-alfa-2a for the treatment of chronic delta hepatitis", published in *Liver International*, *New England Journal of Medicine*, *Antiviral Therapy*, *Journal of Viral Hepatitis*, *Turkish Journal of Gastroenterology and Hepatology* (see International Publications No: 124,133,141,145,150,169,170).
25. **Collaboration** with Prof. M.P. Manns (Hannover, Germany) and Prof. H. Tillmann (Leipzig, Germany) on the safety and efficacy of lamivudine in patients with severe acute or fulminant hepatitis B, a multicenter experience, which is published in *Journal of Viral Hepatitis* (see International Publications No: 74).
26. **Participant principal investigator** in the "Phase 3b, Open-Label Program of Adefovir Dipivoxil in the Treatment of Patients with Lamivudine-Resistant Chronic Hepatitis B Who Have Limited Treatment Options (GS-01-550)", which has been completed in March 2004.
27. **Participant principal investigator** in a multicenter, double blinded study in patients with chronic hepatitis C who are non-responders to prior peginterferon-a or peginterferon-a + ribavirin therapy comparing treatment with thymosin a1 + peginterferon-a-2a plus ribavirin with peginterferon-a-2a + ribavirin + placebo (2005-2008, Co-ordinator: Professor M. Rizzetto).
28. **Participant principal investigator** in a multicenter, double blinded study on Tenofovir vs Adefovir in the treatment of naïve patients with chronic anti-HBe positive hepatitis B (2006-now; we have been audited for this study by American authorities funded by Gilead with excellent conclusions).
29. **Participant principal investigator** in a multicenter, Phase 3b, randomized, double-blind, double-dummy study, evaluating the antiviral efficacy, safety, and tolerability of Tenofovir Disoproxil Fumarate monotherapy versus Emtricitabine plus Tenofovir DF fixed-dose combination therapy in subjects with chronic hepatitis B who are resistant to lamivudine (2009-2010).
30. **Collaboration** with Prof. M.P. Manns (Hannover, Germany) and Prof. H. Wedemeyer (Hannover, Germany) on the cross-genotype reactivity of the immunodominant HCV-CD8 T-cell epitope NS3-1073 which is published in *Vaccine* (see International Publications No: 112).
31. **Partner (member)** of the E-RARE "Epinostics" Consortium of Europe (2007-10) entitled: "Autoimmune liver diseases: Epitope peptide mapping – The entry to novel and innovative diagnostic and therapeutic applications" funded by European Union (740,000 €).

32. **Participant principal investigator** in a multicentre study of the International Autoimmune Hepatitis Group regarding the development of the simplified criteria for the diagnosis of autoimmune hepatitis published in *Hepatology* (see International Publications No: 103).
33. **Participant principal investigator** in a multicentre study regarding the prompt, rapid and safe detection of IgG and IgA antimitochondrial and ANA-PBC specific antibodies which is published in *Journal of Autoimmunity* (see International Publications No: 130).
34. **Participant principal investigator** in a study with industry (Boca Biolistics, USA) entitled «Hepatitis B, Hepatitis C and HIV sample collection study» (BB-ID-034, 2011-2014).
35. **Participant principal investigator** in a study entitled: “Multicenter, Open-Label, study of Telaprevir in Combination with Peginterferon Alfa and Ribavirin in Genotype 1 Chronic Hepatitis C Subjects with Severe Fibrosis and Compensated Cirrhosis” (VX-950HEP3002, 2011-2014).
36. **Participant principal investigator** in a study entitled: “A phase III, randomized, double-blind trial to evaluate the efficacy, safety and tolerability of TMC435 vs telaprevir, both in combination with Peg-IFN α -2a and ribavirin, in chronic hepatitis C genotype-1 infected subjects who were null or partial responders to prior Peg-IFN α and ribavirin therapy” (TMC435HPC3001, 2012-2013).
37. **Participant principal investigator** in a study entitled: “Non-Interventional Cohort Study on the Utilization and Impact of Dual and Triple Therapies Based on Pegylated Interferon for the Treatment of Chronic Hepatitis C” (MV25599, 2012-now).
38. **Participant principal investigator** in a study entitled: “An international, Multi-Center Study Evaluating the Correlation of IL28B Genotypes with Chronic Hepatitis C Disease Characteristics and Patient Demographics” (MV25600, 2012-2014).
39. **Participant principal investigator** in a multicentre study regarding the detection of new gene loci for primary sclerosing cholangitis (PSC Genetics Study – IMMUNOCHIP Project) which is published in *Nature Genetics* (see International Publications No: 159).
40. **Participant principal investigator** in a study entitled: “EU-CORE: European Registry of Outcome and Experience from CUBICIN use for the treatment of severe infections from Gram positive bacteria” (CCBC134A2403, 2011-2012).
41. **Participant principal investigator** in a study entitled: “A double-blind, randomized, placebo-controlled, multicenter study assessing the impact of additional LDL-Cholesterol reduction on major cardiovascular events when AMG 145 is used in combination with statin therapy in patients with clinically evident cardiovascular disease” (2013-now).
42. **Participant principal investigator** in a study entitled: “Use of boceprevir in addition to standard Pegylated Interferon alpha and Ribavirin regimen in genotype 1 Chronic Hepatitis C treatment-experienced patients in the Greek routine clinical practice” (2013 – 2015).
43. **Participant principal investigator** in a study entitled: “OPTIMIS - Outcomes of HCC patients treated with TACE followed or not followed by sorafenib and the influence of timing to initiate sorafenib” (BAY 43-9006, Sorafenib / study identifier: 16560/NX 1301) (2013 – 2015).
44. **Collaboration** with Prof. G.V. Papatheodoridis, Prof. P. Lampertico and Prof. M. Buti on the development of a prognostic score (PAGE-B) for the detection of HCC in chronic anti-HBe positive chronic HBV patients under treatment with entecavir or tenofovir which is published in *J Hepatol* (see International Publications No: 174 and 190).
45. **Participant principal investigator** in a study entitled: “A phase IV, blood sample collection study for exploratory evaluation of the association of single nucleotide polymorphisms with treatment responses from subjects with HBe-Ag positive or negative chronic hepatitis B, who

received therapy for hepatitis B with peginterferon alpha-2a 40kD±Nucleos(t)ide analogue”(Sponsor: F-Hoffmann-LaRoche Ltd) (2014-2015).

46. **Participant principal investigator** in a study entitled: “An international multicenter prospective observational study to evaluate epidemiological, humanitarian and economic outcomes of treatment for chronic hepatitis C” (2014 - 2015) (ABBVIE).
47. **Participant principal investigator** in LIBERATE study (Greek Incivo retrospective observational study) entitled: “A multicenter, non-interventional, retrospective study of Telaprevir in combination with Peginterferon Alfa and Ribavirin in Genotype 1 Chronic Hepatitis C subjects in Greece” (2014-now).
48. **Principal investigator** in a study entitled: “The role of gene polymorphism of PD-1.3 in the natural history and response to treatment of chronic hepatitis B and C” (Gilead: 2014 – now).
49. **Participant principal investigator** in a randomized, multicenter, phase 2 study to evaluate safety and efficacy of subcutaneous injections of RG-101 in combination with oral agents in treatment naïve, genotype 1 and 4 chronic hepatitis C patients (RG101-02) (2015 – now).
50. **Principal investigator and Co-ordinator** in a funding project by the Hellenic Association for the Study of the Liver (HASL) entitled: «Metabonomic profile of patients with autoimmune liver diseases by NMR spectroscopy: Clinical significance on the diagnosis, outcome and prognosis» (6/2015-6/2017).
51. **Participant principal investigator and Co-ordinator** in a study entitled: “Prognostic factors of sustained virological and biochemical response and immunological changes in patients with chronic HBeAg-negative hepatitis B in whom the long-term effective treatment with antivirals has been discontinued” (Sponsor: Gilead) (2015 – now).
52. **Participant principal investigator and Co-ordinator** in a national retrospective/prospective study of the Greek autoimmune hepatitis registry (Hellenic Association for the Study of the Liver, 2016 – now).
53. **Principal investigator** of an Open randomized clinical study entitled: “Assesment of safety and efficacy of mycophenolate mofetil vs azathioprine in the induction of remission and sustained response after complete treatment withdrawal in treatment naïve patients with autoimmune hepatitis” (2016 – τώρα).
54. **Participant principal investigator** in a multi-center, parallel group, open-label, phase 2 study to evaluate the efficacy and safety of a single subcutaneous injection of RG-101 combined with Oral GSK2878175 taken once daily for 6, 9, or 12 weeks in treatment naïve, genotype 1 and 3, chronic hepatitis C patients (RG101-04) (2016 – now).
55. **Participant principal investigator** in a study entitled: “Moving from biochemically early to advanced PBC: Are there any prognostic factors?” (Global PBC Study Group) (2016 – now).
56. **Participant principal investigator** in an observational, long-term safety and efficacy follow-up study of subjects who have previously received RG-101 (RG101-05) (2016 – now).
57. **Participant principal investigator** in a study for the assesment of IAIHG criteria for PSC-AIH overlap (International PSC Study Group) (2016 – now).
58. **Participant principal investigator and Co-ordinator** in a study entitled: “Diagnostic performance of FibroMeter (ECHOSENS) in the assessment of liver fibrosis alone or in combination with Fiiibroscan (ECHOSENS) (2016 – now).
59. **Participant principal investigator** in a study entitled: “Efficacy and safety of subcutaneously administered semaglutide in patients with NASH” (NN9931-4296) (2016 – now).

60. **Participant principal investigator and Co-ordinator** in a multicentre study entitled: “AIH and NAFLD/NASH: i) Do all NASH patients have truly only NASH? ii) NAFLD/NASH in AIH: important player or innocent bystander?” of the International AIH Group (2016-now).
61. **Participant principal investigator and Co-ordinator** in a multicentre study entitled: “Prevalence and significance of antimitochondrial antibodies in patients with autoimmune hepatitis” of the International AIH Group (2016-now).
62. **Participant principal investigator** in a Greek prospective multicenter study entitled: “Natural history of portal vein thrombosis in patients with decompensated cirrhosis” (2017 – now).
63. **Participant principal investigator** in a phase IIA study entitled: “Phase IIA exploratory study of oral Milciclib Maleate in patients with Unresectable or Metastatic Hepatocellular Carcinoma” (CDKO-125a-010) (2017-now).
64. **Participant principal investigator** in a phase IIIb study entitled: “A single arm, open-label study to evaluate the efficacy and safety of Glecaprevir (GLE) / Pibrentasvir (PIB) in treatment naïve adults with chronic hepatitis C virus (HCV) genotype 1, 2, 4, 5, or 6 infection and compensated cirrhosis (M16-135 - ABBVIE)” (2017-now).
65. **Participant principal investigator** in a phase II study entitled: “A double blind, randomized, controlled with placebo clinical study, for the assessment of efficacy and safety of GKT 137831, in patients with primary biliary cholangitis under ursodeoxycholic treatment and persistently elevated alkaline phosphatase (2017-now).
66. **Reviewer for Research Projects in Gastroenterology and Hepatology on behalf of the Hellenic (Greek) Central Council of Health** (*Committee of Biomedical Research*).
67. **Reviewer for Research Projects on behalf of the Hellenic (Greek) Ministry of Education.**
68. **Member of the Scientific Committee for the Prevention, Diagnosis, Management and Treatment of Viral Hepatitis, Hellenic (Greek) Center for Disease Control and Prevention, Hellenic Ministry of Health** (2000-now).
69. **Associate member of the Governing Board of the Hellenic (Greek) Center for Disease Control and Prevention, Hellenic Ministry of Health** (2002-2005).
70. **Vice President of the Committee for the Control of Infectious Diseases** in the University Hospital of Larissa, Greece (2004-2007).
71. **Member of the Advisory Board Examination for Internal Medicine Specialty, Larissa, Greece** (2008-now).
72. **Member of the Governing Board of the Hellenic (Greek) Association for the Study of the Liver** (2001-2003).
73. **Member of the Advisory Board (Wave III) on “Chronic Hepatitis B: Further understanding hepatitis B in Greece-Regional perspectives & treatment paradigms”, BMS, Thessaloniki, Greece, January 19, 2007.**
74. **Member of the Data Safety Monitoring Board of the German Bundesministry of Education and Research** for the GAHB-Study.
75. **President of the Organizing Committee of the Annual International Congress of Internal Medicine, Larissa or Athens, Greece** (2009 – now).
76. **President of the Organizing Committee of the Annual or Biennial Autumn Days of Internal Medicine, Greece** (2008-now).

77. **Member of the Advisory Board on “Facing reality: Effective long term management strategies in patients with CHB in Greece”, BMS, Athens, September 21, 2011.**
78. **Member of the Advisory Board on “Clinical benefit and value assessment of Chronic Hepatitis B long-term patient management strategies in Greece-2012”, BMS, Thessaloniki, June 21, 2012.**
79. **Member of the Advisory Board on “Management of hyperlipidemia, therapeutic targets and the unmet medical needs”, Amgen, Athens, September 11, 2013.**
80. **Member of the Advisory Board on “HCV – The unmet need”, Gilead, Athens, October 24, 2013.**
81. **Member of the Advisory Board on “Long term patient management considerations in HBV in Greece: An evolving landscape”, BMS, Thessaloniki, November 12, 2013.**
82. **Member of the Advisory Board on “Hepatitis B – Post AASLD 2013”, Gilead, Athens, November 27, 2013.**
83. **Member of the Advisory Board on «Analyzing new data on the treatment of hepatitis C – determination of the needs and modification of the management of chronically infected patients – treatment access», Abbvie, Athens, February 26, 2014.**
84. **Member of the HCV Multi-country Advisory Board, AbbVie, Madrid, May 16, 2014.**
85. **Recognition (2013) of the Department of Medicine, the Liver Unit and the Research Laboratory of Internal Medicine, Medical School, University of Thessaly by the Hellenic (Greek) Center for Disease Control and Prevention as a Specific Center of Rare Diseases (Autoimmune Hepatitis).**
86. **Elected 1st Vice President of the Governing Board of the Internal Medicine Society of Northern Greece (2011-2015).**
87. **Chairman of the Advisory Board and Steering Committee for the publication of the Clinical Practice Guidelines for the Management of Chronic Viral Hepatitis B and C by the Hellenic (Greek) Center for Disease Control and Prevention, Hellenic Ministry of Health (2013).**
88. **Chairman of the Advisory Board and Steering Committee for the publication of the Updated Clinical Practice Guidelines for the Management of Chronic Viral hepatitis C by the Hellenic (Greek) Center for Disease Control and Prevention, Hellenic Ministry of Health (2014).**
89. **Member of the Clinical Practice Guideline (CPG) Committee for Autoimmune Hepatitis by the European Association for the Study of the Liver (EASL) Governing Board (May, 2014).**
90. **Member of the Advisory Board on «Recording of the disease course of hepatitis C and the use of Simeprevir in clinical practice in Greece», BMS, Athens, July 3, 2014.**
91. **President of the Institute of Internal Medicine and Hepatology, Larissa, Greece (2012-now).**
92. **Elected Vice President of the Governing Board of the Hellenic (Greek) Association for the Study of the Liver (2013-2015).**
93. **Vice President (2013-2015) and President (2015-2017) of the Organizing Committee of the Annual Clinical School of Hepatology by the Hellenic (Greek) Association for the Study of the Liver.**
94. **Member of the Advisory Board on «1st HCV Access», BMS, Athens, October 8, 2014.**

95. **Member of the Advisory Board on «Chronic Hepatitis C – Newer Perspectives»**, Gilead, Athens, October 10, 2014.
96. **Invited Faculty Member of the 22nd United European Gastroenterology Week**, Vienna, October 18-22, 2014.
97. **Invited Faculty Poster Reviewer and Speaker** in the 22nd United European Gastroenterology Week, Vienna, October 18-22, 2014.
98. **Member of the International Scientific Committee of the National Organization of Medicines** (October 2014-now).
99. **Member of the First International Quality Control for Quantification of HDV Viral Load**, October 2014.
100. **Member of the Advisory Board on «Evaluation of newer data on the treatment of HCV infection which have been reported in AASLD 2014 and the treatment options of sofosbuvir/ledipasvir combination»**, Gilead, Athens, December 10, 2014.
101. **Member of the HCV International Advisory Board**, AbbVie, Rome, January 22, 2015.
102. **Member of the Advisory Board on «Current positioning of Telbivudine in chronic hepatitis B treatment algorithm»**, Novartis, Thessaloniki, February 11, 2015.
103. **Elected 2nd Vice President of the Governing Board of the Internal Medicine Society of Northern Greece now known as Internal Medicine Society of Greece which is official member of the European Federation of Internal Medicine (2015-now)**.
104. **Chairman of the panel member of the Hellenic (Greek) Clinical Practice Guidelines of Autoimmune Hepatitis published by the Hellenic Association for the Study of the Liver** (April 2015).
105. **President of the Governing Board of the Hellenic (Greek) Association for the Study of the Liver** (2015-2017).
106. **Panel member of the Hellenic (Greek) Clinical Practice Guidelines on the Prevention and Treatment of HBV Reactivation during or after Immunosuppressive Therapy published by the Hellenic Association for the Study of the Liver** (June 2015).
107. **Member of the Advisory Board on «Evaluation of newer data on the treatment of HCV infection, which have been reported in EASL 2015 and assessment of reality in Greece»**, Gilead, Athens, October 5, 2015.
108. **Invited Member of the Scientific Committee of the 6th Southeast European Conference on Chemotherapy and Infection (SEEC) in conjunction with the 1st Congress of the Mediterranean Society of Chemotherapy and Infection (MEDSOCHEMI) and the 16th Congress of Mediterranean Society of Chemotherapy (MSC)**, Thessaloniki, November 13-15, 2015.
109. **Member of the Advisory Board on «Evaluation of newer data on the treatment of HCV infection, which have been reported in AASLD 2015 and treatment issues in Greece»**, Gilead, Athens, December 9, 2015.
110. **Chairman of the Advisory Board and Steering Committee for the publication of the first revision on Clinical Practice Guidelines for the Management of Chronic Viral Hepatitis C by the Hellenic (Greek) Center for Disease Control and Prevention, Hellenic Ministry of Health** (December 2015).
111. **Invited Expert Reviewer for the Foundation for the Development of Internal Medicine in Europe (FDIME) Research Grant Scientific Committee** (1/2016-now).
112. **Individual Collaborator του International Consortium entitled: “European Registry on Autoimmune Hepatitis (ERA)” and Representative of the National Society Partners**

(Hellenic Society of Gastroenterology and Hellenic Association for the Study of the Liver) of the Consurtium (This collaborative initiative 'European Registry on Autoimmune Hepatitis' was granted the UEG LINK award on January 30, 2016).

113. **Chairman of the Advisory Board and Steering Committee for the publication of the second revision on Clinical Practice Guidelines for the Management of Chronic Viral Hepatitis C by the Hellenic (Greek) Center for Disease Control and Prevention, Hellenic Ministry of Health** (April 2016).
114. **Member of the Advisory Board** entitled: “3rd HCV Medical-Aceess”, BMS, Athens, May 18, 2016.
115. **Board member of the Committee for the Development of National Startegies against Viral Hepatitis Viruses (Ministry of Health – Hellenic Center for Disease Control and Prevention)** (September 2016).
116. **Member of the Advisory Board** entitled: “Sofosbuvir-based treatment schedules in the treatment of chronic hepatitis C and the European Clinical Practice Guidelines – The option of Tenofovir Alafenamide in the treatment of chronic hepatitis B», Gilead, Αθήνα, 21 Οκτωβρίου 2016.
117. **Member of the Advisory Board on «Recording the clinical management of HCV, HCV-related cirrhosis and the specific characteristics of HCV patients in Greece»,** National School of Public Health, Athens, December 19, 2016.
118. **Chairman of the panel member of the Hellenic (Greek) Clinical Practice Guidelines of the Use of New Antivirals in Chronic Viral Hepatitis C published by the Hellenic Association for the Study of the Liver** (January 2017).
119. **Faculty Member of the 16th European Congress of Internal Medicine,** European Fedearion of Internal Medicine, Milan, 31 August – 2 September, 2017.
120. **Member of the Local Organizing Committee of the Stroke Summer School of ESO,** Larissa/Leptokarya, September 10-15, 2017.
121. **Member of the National Organizing and Scientific Committee of the ATHENA 2017 International Conference,** Athens, November, 28-30, 2017.

BIBLIOGRAPHY

A. Thesis

Doctoral Thesis

«*Inflammatory Bowel Disease: Immunologic abnormalities*», Ioannina, 1995.

Parts of my Doctoral Thesis have been published as full papers in *Gut*, *European Journal of Internal Medicine* and *European Journal of Gastroenterology and Hepatology* (see International Publications No: 1,4,19 and 28).

B. Papers in International Medical Journals

1. **G.N. Dalekos**, M.N. Manoussakis, A.C. Goussia, E.V. Tsianos, H.M. Moutsopoulos. Soluble interleukin-2 receptors, antineutrophil cytoplasmic antibodies, and other autoantibodies in patients with ulcerative colitis. *Gut* 34: 658-664, 1993.

2. **G.N. Dalekos**, M.N. Manoussakis, E. Zervou, E.V. Tsianos, H.M. Moutsopoulos. Immunologic and viral markers in the circulation of anti-HIV negative heroin addicts. *Eur J Clin Invest* 23: 219-225, 1993.
3. E.V. Tsianos, **G.N. Dalekos**, M. Elisaf, E. Zervou, K.C. Siamopoulos. High frequency of antibodies to Hantaan virus and hepatitis C virus in haemodialysis patients. Coincidence or cross reaction? *J Intern Med* 234: 607-610, 1993.
4. E.V. Tsianos, C.N. Masalas, M. Merkouropoulos, **G.N. Dalekos**, R.F. Logan. Incidence of inflammatory bowel disease in north west Greece: Rarity of Crohn's disease in an area where ulcerative colitis is common. *Gut* 35: 369-372, 1994.
5. **G.N. Dalekos**, E.V. Tsianos: Antineutrophil antibodies in chronic viral hepatitis. *J Hepatol (Letter)* 20: 561, 1994.
6. E.V. Tsianos, **G.N. Dalekos**, M.H. Merkouropoulos, A. Tsatsoulis, K.I. Seferiadis. Frequency of thyroid dysfunction after recombinant alpha-interferon therapy in Greek patients with chronic active hepatitis. *Eur J Gastroenterol Hepatol* 6: 547-551, 1994.
7. **G.N. Dalekos**, G.C. Liapi, P. Dallas, D. Stefanou, M. Elisaf: Stauffer's syndrome as first manifestation of renal cell carcinoma. A case report. *Eur J Intern Med* 5: 319-320, 1994.
8. E.V. Tsianos, **G.N. Dalekos**, C. Tzermias, M.H. Merkouropoulos, J. Hatzis. Hidradenitis suppurativa in Crohn's disease. A further support to this association. *J Clin Gastroenterol* 20: 151-153, 1995.
9. P.G. Vlachoyiannopoulos, **G.N. Dalekos**, A. Tsatsoulis: Transient hyperthyroidism following lower respiratory tract infections. A clinical observation. *Eur J Intern Med* 6: 19-22, 1995.
10. **G.N. Dalekos**, E. Zervou, E.V. Tsianos. IgM antibodies to HCV in chronic active hepatitis in NW Greece. Solution or more questions? *J Hepatol (Letter)* 22: 509, 1995.
11. **G.N. Dalekos**, E. Zervou, F. Karabini, K. Bourantas, M. Elisaf, K.C. Siamopoulos. Prevalence of antibodies to human T-lymphotropic virus types I and II in volunteer blood donors and high risk groups in northwestern Greece. *Transfusion* 35: 503-506, 1995.
12. **G.N. Dalekos**, E. Zervou, F. Karabini, E.V. Tsianos. Prevalence of viral markers among refugees from southern Albania: increased incidence of infections with hepatitis A, B and D viruses. *Eur J Gastroenterol Hepatol* 7: 553-558, 1995.
13. C. Tzermias, **G.N. Dalekos**, J. Hatzis, E.V. Tsianos: Pyoderma gangrenosum: successful treatment with intralesional injections of corticosteroids. *J Eur Acad Dermatol Venerol (Letter)* 5: 197-199, 1995.
14. A. Tsatsoulis, P.G. Vlachoyiannopoulos, **G.N. Dalekos**, E.O. Johnson, H.M. Moutsopoulos. Increased serum interleukin-1 β (IL-1 β) during treatment of hyperthyroidism with antithyroid drugs. *Eur J Clin Invest* 25: 654-658, 1995.

E. Citation Index (31-12-2017)

6441 citations (ISI and/or Scopus; self-citations: 136), **h-index = 39**, **total impact factor: 1189,404**

7712 citations, **h-index = 44**, **i10-index = 146** (Google Scholar)

Note

1. I have also presented 245 and 273 abstracts in Greek and International Congresses, respectively.
2. I have acted as faculty member, chairperson, moderator and/or speaker in several local (Greek) Congresses, International meetings like EASL, UEGW, AASLD, EFIM and International Immunology Congresses (n=417 in total).
